

Lil' Topper™

Bottled Water Sipper Cap

Lil' Topper™ is a safe, no-spill, reusable top for bottled water that enables children care free use of the same containers they see adults using without the choking hazards and difficulties associated with traditional "Sports Tops". A high-tech, patented valve helps children get the water they need without soaking everything around them.

No Spills

FEATURES

- No Spills thanks to a patented valve
- Easy to use
- Small and compact
- Reusable
- Teething area on outer ring
- Safe - no sliding parts like a "Sports Top"
- Adapts to nearly any water bottle.
- Encourages a healthy routine of drinking more water
